WHO WE ARE

With over 16 years of experience within the construction and development industry, the Tosich Group has always focused on putting their clients' needs first, which has seen the group attain a reputation for care, quality and most importantly, reliability.

Today, the Tosich Group continues to thrive thanks to their continued efforts towards surpassing client's expectations.

As a potential client, the Tosich Group offers their full design and construction management service, which manages your project from inception through to completion and includes customer focused building contracting services; specialising in low-rise residential, industrial, commercial, fit-out and refurbishment.

Managing Director, Alex Tosich, has spearheaded the delivery of over 600 million dollars' worth of projects New South Wales wide, working across all sectors including CBD office refurbishments, serviced apartments, retail, large scale residential towers through to various industrial and commercial projects.

At the Tosich Group, we understand that quality is paramount; we leave no stone unturned in our quest to reach our clients expectations... without compromising on quality. That's what makes all the difference.

CLIENT TESTIMONIALS

The Tosich Group is truly a collaborative partner, working with us in a cost effective, efficient and quality construction product. The knowledge of the The Tosich Group was truly a value add to the overall success of our build-out project. A very professional & competent team. On time, on budget and we had fun!

Gerard Cole,
Managing Director
Gerard Cole Property

It was great to work with Alex from The Tosich Group on our Haberfield project. We were very impressed with the level of professionalism and attention to detail on every aspect of this project which produced a high standard of finish. The Tosich Group's commitment to this project ensured that it came in on programme and within budget. Everyone is delighted with the final result.

Managing Director
Herevue Pty Ltd

Our relationship with The Tosich Group was one of dealing with competent, professional and friendly Person within Alex for a 5 storey 42 unit mixed use development and 3levels of basement carparking Alex whom managed sub-contractors and co-operated fully to make our building project was a pleasant experience. The entire team at The Tosich Group were always responsive to our needs and always thinking outside the square to ensure the project finished on time and within budget. We would have no hesitation in recommending the Tosich Group to any organisation intending to carry out similar residential or commercial building projects
